"Great speaker, good pace. Engaging discussions. All content relevant. No waffle. Highlights: It gave me confidence that we are doing oracy well at my school. Area of focus: My school definitely needs to change the way we assess at KS3."

Sarah Bridge,
Secondary School Teacher

"Leaders have worked with RE Today and SACRE to create a curriculum that promotes high-quality learning and engages pupils in meaningful exploration of faiths, beliefs, and non-religious worldviews. We have used our knowledge of our community and the faiths within it to make our curriculum relevant to the lived experience of the children at Moss Park."

Sally Nunwick,
Primary Head Teacher
