

RE Today Primary RE Curriculum (Enhanced Edition)

Used by over
1,500
schools
across the UK and
now fully refreshed
for 2025/26!

Built by experts. Proven in classrooms.

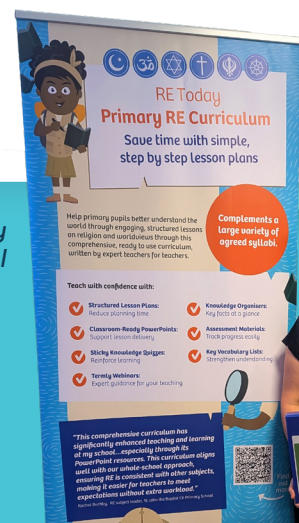

This enhanced edition gives your whole school the tools to teach religious and non-religious worldviews to 4–11s – providing all the missing pieces to your RE jigsaw!

This fully updated curriculum gives you everything you need to:

- **Confidently teach RE** from EYFS to Year 6
- **Strengthen progression** with ready-to-use plans and pathways
- **Support your whole staff team**, not just the RE lead
- **Save time** with clear, adaptable materials for every classroom
- **Get Ofsted-ready** with real examples of success from schools like yours

What's included:

- **3-phase set** covering EYFS through to Upper Key Stage 2
- **Tailorable teaching** materials for any classroom context
- **Built-in progression** that's easy to follow and adapt for mixed aged and individual year groups
- **Expert support** from RE Today's national team of RE specialists

"Hello, We've been using the Primary RE Curriculum for the last two years. It's absolutely transformed our RE in our school both with teaching and with learning. Our teachers feel more confident teaching the material and our pupils are able to talk confidently about their RE learning.

We've recently had Ofsted where we had an RE Deep Dive and Ofsted praised us for our implementation of the curriculum and how we adapted things to suit our pupils. They also noted that RE was one of the strongest foundation subjects in our school and I believe that this is thanks to the Primary RE Curriculum."

Sophie Greenaway, Primary Subject Lead, Crowan Primary School

Available on its own, or as part of
NATRE School Enhanced Membership!
